

## OTHER ACTIVITIES WITH EARTH ADVENTURES

Join us at Earth Adventures for any of the below mentioned activities or contact us for a tailored made adventure to suit your specific needs. While most of these activities can be done in the Vredefort Dome, we can accommodate our client's preferences at their required location.

Our team believes in being innovative and with the assistance of our team leader, we invite the general public in helping us create unique adventures and fun filled activities. Please feel free to contact us with your original idea.

Earth Adventures specialize in the following activities:

- **Archery:** This activity requires no previous experience and novices can engage in the sport of kings.
- **Clay Pigeon shooting:** Test your accuracy with a 12-gauge shotgun or a more accurate rifle and try to hit the clay disc as it is shot into the air. Ideal for those who like the thrill of firing a weapon at a target, but who don't like the idea of killing animals for sport, clay pigeon shooting is an easily tailored activity for enthusiasts of all ages.
- **Air gun shooting:** Guests are equipped with state of the art air guns. Various targets are available.
- **Kayaking:** The team at Earth Adventures are all passionate kayakers with years of experience traveling and kayaking the many great rivers that our continent has to offer. We provide qualified and fully trained professionals to assist beginners in basic training or to guide the more confident down raging rivers.
- **White Water Tubing:** This activity provides fun and adventure for the whole family. Adventures are provided with a tube, life jacket and helmet. Accompanied by experienced guides paddling inflatable crocodiles, clients can experience the thrill of running smaller rapids. Lunch and drinks are optional.
- **River boarding:** River boarders are affectionately known as "crocodile biscuits" on the Zambezi and this fun filled activity is a way of becoming one with the river. Thrill seekers are issued with a body board and protective gear. Hold your breath and down you go!

- Moonlight rafting: This is a truly unique, once in a lifetime experience! Imagine daylight rafting only at night. The full moon clearly opens a perfect path for rafters to follow down the rapids. Guests are equipped with all the standard rafting equipment and guided by qualified APA registered guides.
- 4x4: Earth Adventures are situated close by to arguably one of the best 4x4 trails in South Africa. Experience a professional approach to 4x4 and fun filled activities for the rest of the family.
- Drumming: Interactive drumming will not only provide lots of excitement and fun but will also bring home a very clear message of unity and cohesion. A typical drumming session lasts for about an hour. We are mobile and able to accommodate our clients at their specific location.
- Compass/ GPS orienteering: Earth Adventures offers this activity in the tranquil surroundings of the Vredefort Dome. Clients assisted with a compass or GPS (global positioning system) have to navigate their way around a maze of obstacles to a specific point as allocated on the provided map.
- Game Drives: Situated in close proximity to Parys guests can experience the wildside of life, while enjoying a sundowner. The following are some of the game that can be viewed on one of our 4x4 game drives:
